OAHIMA President: Jamie Addler

"My name is Jamie Addler and I am proud to be President for the 2016-2017 term.

I have been employed at Mercy Health Systems since March 2006. I started out as an outpatient coder and later transitioned to doing billing edits and became the Billing Edits, SSI, RTP, QMB Supervisor in 2011. I am also an adjunct coding instructor at Ozarks Technical Community College here in Springfield. I received my COC credential from AAPC in May 2012, CPMA credential from AAPC in May 2015, CPB credential from AAPC in December 2015 and became an AHIMA Approved ICD-10 CM/PCS trainer in Sept 2012.

I have volunteered for several local OAHIMA and AAPC events so you have probably seen me around. In my spare time I love to watch NHRA Drag Racing with my wonderful husband Gene and three boys Kenny, Matthew and Jeremiah. Thank you for being part of such a rewarding organization."
