About WorkINdiana

Employers want individuals with experience and training. A high school diploma or equivalency alone may not be enough to get the job you need. Consider WorkINdiana, which offers short-term, in-demand occupational training to adults, resulting in industry-recognized certification.

Through adult education, WorkINdiana allows you to earn a high school equivalency or improve academic skills, and earn a career certificate too, giving you the boost you need to get the job you want.

Choose from over 30 certifications and start a career in Advanced Manufacturing, Business Administration and Support, Construction, Health Care, Hospitality, Information Technology, or Transportation and Logistics.

Unsure about what certification or career might be best for you? There are resources that can assess and guide you along the way. WorkINdiana – choose a career today; start earning tomorrow.

Why WorkINdiana

The Indiana Department of Workforce Development created WorkINdiana to provide short-term occupational training (up to 14 weeks) to allow Hoosiers like you to earn an industry-recognized certification.

You may also be enrolled in Workforce Investment Opportunity Act (WIOA) programs to receive the full range of supports and financial services. WorkINdiana requires regional partnerships among adult education centers, WorkOne, career and technical education, community colleges, and local economic development representatives.

Together, these partnerships determine which careers are most relevant to their regions based on employer demand. In a few short weeks you will have more than a job – you will have a career!

Success By The Numbers

The number of Hoosiers enrolled in certification training since August 2011. The completion rate is 85 percent; 77 percent have achieved a certification.
